ALFRETON TOWN

THE PRESENT ALFRETON TOWN FOOTBALL CLUB CELEBRATED THE MILESTONE OF THEIR GOLDEN JUBILEE AT THE END OF THE 2008/2009 CAMPAIGN HAVING BEEN FORMED IN 1959 FOLLOWING THE MERGER OF ALFRETON MINERS WELFARE AND ALFRETON UNITED FOOTBALL CLUBS.

The newly constituted club, playing on a new ground at North Street provided by the local council, was admitted directly to the Central Alliance Division One (North) and progressed sufficiently in the first two seasons to gain entry to the re-formed Midland Counties League.

The record attendance at North Street of 5,023 was recorded for the visit of Matlock Town in 1960.

After seasons of success, failure followed and the club was relegated from the Northern Premier League after two successful years, into the Northern Counties League.

The club was acquired in 1997 by local businessman, Wayne Bradley, who took up the role of Chairman.

The 2001/02 campaign saw Chris Wilder, appointed Manager and unprecedented, success followed as the Reds landed four trophies - the Northern Counties (East) League Premier Division championship, League Cup, President's Cup and Derbyshire Senior Cup.

Promotion back to the Northern Premier League was followed by entering into the Conference (North).

For the 2007/08 season, former Chesterfield and Bradford City boss Nicky Law took over as Reds manager.

The 2008/09 campaign was one of the most successful in the club's entire history despite no silverware being won.

Under manager Nicky Law, the Reds finished in their highest ever position of third in Conference North and competed in the play-offs for the first time ever, narrowly losing out in the semi-finals on a 5-4 aggregate against AFC Telford United who lost out in the final. The side were also guided to the FA Cup second round proper for the first time ever in the club's history, a 4-0 defeat at high-flying League One side Scunthorpe United doing little to diminish from the achievement of reaching that stage in the first place.

The 2009/10 season saw the club again finish third in the final table. That they finished that high after suffering a horrendous crop of injuries mid-way through the campaign bears testament to the character and spirit within the squad. They recovered to piece together a tremendous run of form which lifted them into the play-offs for the second successive season. This time the Reds went one better, reaching the final, only to narrowly lose out 2-1 in the final at Fleetwood Town.

The 2010/11 campaign saw a third promotion tilt prove ultimately successful as Law fourth season in charge at the Impact Arena ended with the side winning the Blue Square Bet North title by a ten-point margin. It is almost certainly the biggest achievement in the history of the club which saw them competing at the highest level of football ever in their history.

Four seasons in the National League were enjoyed and the club continued to press for new boundaries, however...

The 2014/15 season saw the club relegated, for the first time under Chairman, Wayne Bradley, who had took over the helm in the 1997/98 season. The Club dropped back into the National League North.

A position they still hold today.

The 2018/19 Season saw the appointment of Billy Heath as First Team Manager. (The current manager for 2025/26).

The 2019/20 Season saw the appointment of the Alfreton Towns' Academy side into the National League Under 19 Alliance League.

Season 2022/23 saw the team reach the playoffs of the National League North, only to lose to the winners, Kidderminster Harriers, who regained their place back into the National League for the Season 2023/24.

The play offs were achieved once again in the 2023/24 Season.

The 2024/25 Season tested the manager and squad and eventually saw the first team finish in a respectable mid-table position.

New ownership for the 25/26 Season has been unveiled. Will Rush takes over as Owner and Chairman from Wayne Bradley, who remains as a Club Director and advisor. New ambitions have been set and the test begins...

Season 2025/26 saw the team relegated from the National League North. A position it had held since the formation of the National League.

Season 2026/27 will now be a new challenge as the club drops to the Northern Premier League and sets its targets to find new form under the continued team management of Jake Buxton.

TWO FIRST HALF GOALS FROM JOSH CARTER MADE SURE MICKLEOVER RETURNED HOME WITH ALL THREE POINTS FROM THEIR VISIT TO BOURNE TOWN.

Starting line-up: 1-Aaron Chapman; 2- George Wilkinson; 3-Sam Sanders; 4-Will Atkinson; 5-Hamza Bencherif; 6-Charlie Hickingbottom; 7-Kane Richards; 8-Josh Ashman; 9-Harvey Smith 10-Andy Dales; 11-Josh Carter. Subs: Manni Norkett; Jude Taylor; Darryl Powell; Theo Rowe; Dwayne Wiley.

Only three minutes into the game Richards was hacked down on the right wing, initially the free kick was cleared, but the first corner soon followed.

Only a minute later Furey broke clear for Bourne, but his shot from the left crossed the face of the goal, just missing the right-hand post.

Despite the constant drizzle both teams were pushing forward, but it was the hosts that opened the scoring after 10 minutes, when Forbes sent in an opportunistic lob from the left which became an outstanding goal, with Chapman off his line, it was 0-1.

Smith then charged through for Mickleover, straight down the middle until he was crudely challenged on the edge of the box. Richards took the free kick which was saved by keeper Lakin, but it fell to Ashman who scored the equaliser from close range. 1-1.

Just three minutes later Dales led a tidy build-up on the left and his cross found Carter who slotted in number two after 15 minutes, 2-1.

Bourne had another half chance 19 minutes in, but that shot was wide from a tight angle, before Carter broke again on the left. He managed to get his cross in but it was just inches short of connecting with Richards.

Smith then put in a cross narrowly missing Dales and Carter, but with just 22 minutes gone, Sports were taking charge, with the evident pace of Richards, Dales and Carter and with Smith the target man.

Apart from the opening goal the Mickleover back four of Wilkinson, Bencherif, Hickingbottom and Sanders hadn't been tested. But on the half hour there was a goal mouth scramble following a corner. A couple of efforts were blocked, but Bencherif conceded a penalty as he attempted to clear and skipper Zac Allen stepped up to score 2-2.

Dales tried an exploratory shot from outside the box after 33 minutes, but it was Sports pushing forward again to try and regain the lead before the half time whistle.

A confident build-up down the right almost paid dividends, with Carter shooting on the turn just wide, and then Smith put a header just wide too.

Forbes tried another lob but this time Chapman had it covered, but virtually on the half time whistle Dales split the home defence down the middle and Carter followed up for both his and Mickleover's second 3-2.

It was a lively start from Bourne in the second half, with striker Darlington shooting just wide, five minutes into the restart, before Dales retaliated a minute later.

Smith then broke through to set up Carter, who shot just over the bar, before a total mix up in the home defence after 55 minutes. Lakin charged out of his goal but failed to get the ball, Smith had his shot blocked and Carter was close to connecting with the rebound before the danger was cleared.

On the hour Richards outpaced the defence on the right with Hickingbottom collecting the cross, before sending a volley over the bar.

Mickleover had been playing deeper, but were coping comfortably with Bourne's breaks. Richards and Smith played a nice one two on the right, before Richards shot wide, he was then the first change when Taylor came on.

Hickingbottom was looking particularly strong in defence and headed away a couple of dangerous crosses, before Bourne earned a 74th minute free kick which failed to trouble Chapman.

Taylor had a shot saved by the keeper, before Rowe replaced Carter for the final eight minutes. Bourne then went close again with Forbes, just before Rowe went on a late solo run, shooting just over with the final whistle imminent.

A good solid team performance with some well taken goals, which now moves sports back into the top 10.

DARRYL POWELL**August 11th 2005**

After starting out at Nottingham Forest Academy, Darryl played for Lincoln City, Birmingham City and Crewe Alexandra, plus a loan spell with Bromsgrove Sporting mainly as a centre back. He can play defensive midfield or right back and has recently returned to football after a career break, before successfully coming through pre-season trials.

CHARLIE HICKINGBOTTOM**December 6th 2004**

Former Derby County and Barnsley youngster Charlie returned to Micklegate FC pre-season after spending last season in the National League North with Peterborough Sports. He is either central midfield or central defence and was previously at Station Road on loan from Barnsley at the beginning of 24/25, returning to his parent club in January last year. After returning to the Tykes he had a further loan at Gainsborough, but started last season Peterborough following his release.

WILL ATKINSON**October 14th 1988**

A former Hull City Junior, Atkinson has played in every division of the football league during his career, notably in the Premiership during his time with the Tigers. A central midfielder, he had numerous loans during his time at Hull, starting with Port Vale. Over the next five years he had spells at Mansfield, Rochdale, Rotherham, Plymouth Argyle and Bradford City, before a permanent move to the latter for the 2012/13 season. A year later he moved to Southend, spending four years on the South Coast, before heading North again to Mansfield. His next stop was a return to Port Vale, before a short spell at Alfreton, preceded a return to Southend for one more season. He spent 22/23 with Boston Utd and had made over 300 league appearances during his career, 255 in League Two and scored 30 goals and can play at wing back too. He was part of the Bantams team that were League Cup runner-up and made the League Two play-offs with both Bradford City and Southend. Now starting his fourth season at Micklegate, Will is probably the most dependable and consistent player in the squad and has been voted players player of the year for the last two seasons.

CIERON KEANE**August 14th 1996**

A versatile and experienced midfielder, Cieron first came to Micklegate in September '24 from Barwell. But having started last season at Quorn, he had a short spell at Long Eaton before making his return last January. He played his Junior football at Wolves and Notts County, before joining Nuneaton following his release. After a year at Nuneaton he had similar spells at Worcester, Kidderminster and Alfreton, before joining Boston Utd in 2018. Basford, Leamington and Bradford Park Avenue followed, before a return to Basford. He also played for Stafford Rangers and Gainsborough before his first spell at Long Eaton in 2023, preceded a move to Ilkeston and a loan spell back at Long Eaton. He was capped by the Republic of Ireland at Under 19 level.

ANDY DALES**November 13th 1994**

It was more of a return home for Andy when he rejoined Mickleover just before the start of the 21/22. Derby born he spent 10 years at Derby County and was a first year pro in 2013. He was released in 2014 and was unable to take up offers of trials due to injury, which brought him to Mickleover for the first time. The pacey winger had four years at the at Station Road and was part of the team that won promotion back to the NPL Premier Division, his first senior medal. In 2017/18 he scored 23 goals and was signed by Scunthorpe United after being spotted at the Jamie Vardy Academy. During his three years there he made 33 appearances and scored one goal, but also had long loan spells in the Scottish Premiership with Dundee and Hamilton Academicals. After a short stop at Altrincham, he was released and returned to Mickleover, hitting two goals on his home debut against Gainsborough. He was club captain last season and continues to be a regular goalscorer and a key part of the Mickleover set-up, as well as being a valuable member of the Academy coaching staff and Derby County Community Trust team.

JOSH CARTER**August 21st 2007**

A young attacking midfielder, Josh has come through the Mickleover Academy and was the 24/25 player of the year and top scorer for the reserve side. He joined the first team squad for the first time towards the end of 24/25 and made his debut as a second half substitute in the game at Stockton. He made two starts before the end of the term and also came off the bench. Part of last season was spent on loan at Belper Utd and Heanor Town, before completing the season back in the Mickleover first team and scored his first senior goal for the club. He is also Liam Carter's twin brother.

LIAM CARTER**AUGUST 21ST 2007**

Another Academy product, Liam is an attacking midfielder and came back from a serious hip injury sustained in a reserve match in 2023, to become a regular reserve and Academy player. He is Josh's twin brother and also took his first team bow against Alfreton Town in the Derbyshire Senior Cup in 24/25, before making two league starts towards the end of the season.

JUDE TAYLOR**April 27th 2006**

Midfielder Jude Taylor has come to Mickleover in pre-season from Lichfield City. He worked his way through Lichfield City's youth scheme to break into the first team and helped them win the 24/25 Midland League Premier Division title with some vital goals. Until recently he was at Derby University and is the son of ex Aston Villa Ian Taylor.

THEO ROWE**May 7th 2003**

A former Stoke City junior, Theo is a right sided midfielder who joined Banbury after his release. He then moved to Redditch, before starting 23/24 at Coleshill Town. Spells at Alvechurch, Boldmere and Anstey Nomads followed, before spending last season back at Coleshill, where he was clubs top scorer.

LUCA ALONZI**June 24th 2006**

Striker Luca played his junior football at Nottingham Forest. He was loaned to Evesham and North Leigh and following his release he signed for National League Boston Utd in August 2024. During his time at Boston he had further loans Carlton and Quorn and last season at Stamford and Leamington.

MANNI NORKETT**October 30th 2004**

Manni is 21 year old striker and was our first signing of 2026 when he arrived on loan from Boston Utd. His never say die attitude soon made him a popular member of the squad, finishing the season as joint top scorer. He started his career back as an under five at Collingham and played for Newark Town and RHP Colts before being spotted by Manchester Utd as a 14 year old. He went out on loan to Gainsborough Trinity, before moving to Nottingham Forest in June 2023, after five years at Man Utd. A further loan followed where he scored one goal in five games for Cheltenham Town in League Two, before joining Boston at the beginning of last season after his Forest release. Back at Mickleover for 26/27, he is now with us on a permanent basis.

KANE RICHARDS**June 16th 1994**

Kane is a versatile wide striker signed from Rugby Borough for the start of the new season. He started his career at Mickleover as an eight year old, before being signed up by at Derby County. After a loan spell at Matlock Town, joined Ilkeston following his release in 2013. His next stop was Chester City, which included loan at Gainsborough, before moving on to Dover Athletic. He played for Telford and Kidderminster too before having his first spell at Basford. After further moves to Nuneaton and Kettering, he rejoined Basford in February 2024, staying a year before moving to Barwell and finally Rugby Borough last February.

HARVEY SMITH**November 21st 1996**

Striker Harvey Smith finally made his Mickleover debut in our win at Coventry Utd, having previously been unavailable since signing from Lichfield City in pre-season. Smith had been at Studley until Coventry Sphinx signed him in November 2020. He spent over five years at Sphinx, but had a four-year lay-off, before his prolific goalscoring came to Lichfield's attention and they signed him last January.

STUART BEAVON**May 5th 1984**

Stuart Beavon Mickleover's most experienced player, following in the footsteps of his Father Stuart and Grandfather Cyril. In 24/25 he stepped up to become player-coach in manager Gareth Holmes' new backroom team. Although still registered as a player, for this year his focus is now on being first team coach. His career started for in the Hellenic League with Ardley United, before swiftly moving on to Combined Counties side Wallingford. He scored 13 goals in 36 games between those clubs, before being snapped up by Didcot Town. Despite stepping up to the Southern League South & West Division, he quickly found his goalscoring touch and had two seasons with the club. He played 139 games and scored an amazing 107 goals and was a winner in the 2004/5 FA Vase too. His next step was to the Conference with Weymouth, spending three seasons on the South Coast, and adding 27 more goals to his tally from 90 appearances. For 2008/09 he had his first spell in the Football League with League 2 Wycombe Wanderers. He scored on his debut and his initial loan became permanent. He was a prolific scorer again but the team were promoted and relegated twice during his stay. After 125 games and 34 goals he moved to Preston North End in League 1 again. There was debut goal again and having settled at Deepdale he stayed for two years, before an initial loan at Burton Albion became permanent for the 2014/15 season. He gained promotion again with the Brewers to League 1, but part way into his third season he left in January 2017 with 15 goals and 102 games under his belt, destined for Coventry City. A strange end of season saw the Sky Blues win the EFL Trophy, but were also relegated to League 2. Although he was a Coventry player for the next two seasons, his final one was spent on a years loan at Wrexham. Early into the 2019/20 season he joined Nuneaton, but on his arrival at Mickleover back in February 2020 he regained his scoring touch, with a goal scoring debut at Atherton Collieries in September that year and scoring 10 before the season was curtailed.

GARETH HOLMES

October 1st 1982

Gareth took over the reins on May 2nd 2024 and brought with him a vast amount of coaching experience. As a player he was a midfielder, playing in the Conference for Nuneaton Borough and Leigh RMI, as well as locally with Ilkeston Town, Worksop and Hucknall Town and had six-month spell in Finland too. He had already done some coaching at Ilkeston, "I decided to retire from playing aged 26 and became one of the youngest first team coaches in the league when I joined Mansfield Town," he explained. His FA and UEFA coaching qualifications continued to map his career, when after a year at Field Mill, he joined Burton Albion, working with the Brewers junior players. Two years later he moved on to Birmingham City in a similar role, and then spent six years with Nottingham Forest managing the under 18's, as well as working with the first team. Since then he has and still does work with the Derby County Community Trust, but felt it was now time to make a return to the competitive side of football. His four key words in coaching are SERVE, IMPROVE, DRIVE & UNITE! He is also the elder brother of former Rams player Lee, who played a few games at Mickleover a couple of seasons ago.

BILLY HEATH

February 17th 1971

Before starting his career in football management, Billy was a no nonsense old school centre half at Lincoln Utd. Bridlington was his first managerial post in 2000, where he stayed for six years, before moving to Frickley Athletic. Just over four years later, he moved to North Ferriby Utd, where he took them to league and cup glory in consecutive seasons. They were FA Trophy winners in 2015 and were then promoted to the National League, via the play-offs, before he moved onto to FC Halifax. It was after 18 months at the Shay that he began his long and successful association with Alfreton Town. They reached the National League North play-offs twice, won the Derbyshire Senior Cup twice and reached the FA Cup second round proper, only going out to Walsall after a replay. Last September he finally ended his seven years stint after becoming the clubs second longest serving manager in the clubs history.

JJ HAMES-KEWARD

March 3rd 1997

JJ joined Mickleover at start of last season as our new kit man. He previously had a similar role at Long Eaton Utd for eight years, including the period when our former assistant manager Mick Galloway was in charge. He was keen to back into football after a brief absence and Mickleover was an obvious choice. His enthusiasm is boundless and he kicks every ball with the players from the touchline.

ANDYSMANCLUB

#ITSOKAYTALK

WHAT IS ANDYSMANCLUB?

ANDYSMANCLUB is a free peer-to-peer group that provides a place for men to come together in a safe and open environment to talk about the issues or problems that they have faced or are currently facing.

HOW DOES IT WORK?

The process is about bringing men together who have been in similar situations, to help each other on a peer to peer basis, sharing how they have dealt with various situations through lived experiences. No matter how big or small your problem feels, we are here to support each other. The 5 questions that are asked each week are designed not only to encourage men to talk, but to start to focus on the positives and on strategies to keep moving forward. There is no pressure to answer any of the questions and it is not uncommon for men to just listen for the first few sessions. The clubs all run on the same format and adhere to the same guidelines. A key principle of ANDYSMANCLUB is anything that is said in the club, stays within the club.

WHO IS IT FOR?

The club is open to any man 18 or over, who is going through a storm, been through a storm or just wants to meet a good group of people with the aim of improving one another.

WHEN IS IT?

ANDYSMANCLUB meet every Monday at 7pm (excluding Bank Holiday Mondays).

WHERE IS IT?

ANDYSMANCLUB has clubs in many locations across the UK. Check our website below for a full list.

HOW DO I JOIN?

Just turn up on the night. No registration or referral is required, all we ask is that you arrive before 7pm. The full list of our locations is available on our website.
